

PRESENTATION

Laurent Amann, M.Sc.

Laurent Amann
ANIMAL WHISPERER

author | behaviorist | animal trainer | animal psychic | healer

Discover the fascinating world of animal communication, ethology and animal spirituality.

The biologist, animal whisperer and shamanic healer Laurent Amann assists and advises organizations and institutions on how to improve their animals' living conditions, their overall quality of life and the productivity of the services or products related to these animals. Furthermore, he helps them catch up with the growing interest of clients in social, environmental and ethical issues.

Laurent Amann gained sound experience as an animal caretaker for wild and domesticated animals, a horse trainer and groomer, as well as a shamanic healer. He began his career as a scientific researcher at the Konrad-Lorenz-Institute, University of Vienna.

Laurent Amann raises a new consciousness for animals' emotions and souls

Laurent Amann is the author of the bestseller „Mein Hund hat eine Seele“ (eng. My dog has a soul), the book “Erkenne dich selbst in deinem Hund” (eng. Get to know yourself with your dog) and “Animal Soul – the purpose of animal kingdom on Earth”. He is a behaviorist, animal trainer, psychic and communicator, as well as a shamanic practitioner and energetic healer. He is publicly known as the “Animal Whisperer”.

Laurent Amann teaches animal owners how to educate their pets with love and respect and raises new consciousness about animals' emotions and spirits. Furthermore, he illustrates each animal's purpose and explains what messages animals have for humans and how they encourage us to live happier and healthier lives.

He also supports and advises farmers, animal rescue centers, nature preserves and zoo operators as well as other institutional leaders focused on improving the quality of animals' lives. He helps them analyse animals' physical, mental, and spiritual needs in order to provide them with the best possible living conditions.

Laurent Amann grew up in Luxembourg. He studied animal behavior in Luxembourg and France and worked for several years as a scientific researcher at the University of Vienna.

He is the author of more than 30 published articles, has had his own television reports on ORF, News.at and RTL Luxembourg, and is widely featured in press and media.
